Current Park and Recreation Element Goal 1986 Greater North Park Community Plan page 113	
Ensure adequate park and recreational facilities and activities easily accessible to all portions of the community.	<i>Like/Dislike</i>

Current Park and Recreation Element Objectives 1986 Greater North Park Community Plan page 114	
1. Provide, to the extent feasible given existing constraints, a system of parks and recreational facilities with the community consistent with the <u>Progress Guide and General Plan</u> standards.	<i>Like/Dislike</i>
2. Continue enhancement of the North Park Recreation Center as the central facility and focal point serving Greater North Park's active recreation needs.	<i>Like/Dislike</i>
3. Enhance public space adjacent to community facilities, such as post office, libraries, schools and churches, to serve as focus for passive recreation.	<i>Like/Dislike</i>
4. Establish smaller neighborhood parks and mini-parks throughout the community, especially in areas more distant from larger park facilities.	<i>Like/Dislike</i>
5. Encourage development of public park areas in commercial districts, particularly in areas more distant from larger park facilities.	<i>Like/Dislike</i>
6. Require the provision of private recreational facilities in conjunction with new larger residential projects.	<i>Like/Dislike</i>
7. Provide or maintain adequate access to Balboa Park and its facilities for Greater North Park residents.	<i>Like/Dislike</i>
8. Minimize any adverse impacts from regional visitors to Balboa Park on the Greater North Park community.	<i>Like/Dislike</i>
